I declare that the answers given on this document are complete and correct to the best of my knowledge and belief. I agree to accept the policy subject to the terms, conditions and exceptions contained within. I also declare that if a third party (such as an insurance broker) has completed this form on my behalf that I have checked that all of the questions have been answered correctly.

WARNING

Detecting and Preventing Fraud

In order to keep premiums as low as possible for all of our customers, we participate in a number of industry initiatives to aid the prevention and detection of crime, especially insurance related fraud. We pass information to the Claims and Underwriting Exchange Register and the Motor Insurance Anti-Fraud and Theft Register operated by The Motor Insurers Bureau (MIB). We may search these registers and any other relevant databases in order to make decisions regarding the provision and administration of insurance and, when you make a claim, to validate your claims history or that of any person or property likely to be involved in the claim.

Motor Insurance Database

Information relating to your insurance policy will be added to the Motor Insurance Database (MID) which is managed by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including Electronic Licensing, Continuous Insurance Enforcement, law enforcement (prevention, detection, apprehension and/or prosecution of offenders) and the provision of government services and other services aimed at reducing the level and incidence of uninsured driving. If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information. Persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID. It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at www.askmid.com.
